**PART IV (3)**

We generated revenues of approximately \$2,121,000 and \$5,427,000 for the quarters ended March 31, 2018 and 2017, respectively. Total sorbent product sales for the three months ended March 31, 2018 and 2017 were \$2,060,000 and \$5,284,000, respectively. The decrease in product sales is primarily due to the loss of customer EGU's that were shut down as a result of competitive disadvantages, optimization efforts with our customers, as well as lower capacity factors seen at some customer sites resulting in decreased product needed to keep our customers in MATS compliance.

For the quarter ended March 31, 2018 we had net loss of approximately \$1,911,000 compared to a net loss of approximately \$1,653,000 for the quarter ended March 31, 2017. The increased net loss for the quarter ended March 31, 2018 compared to the comparable 2017 period was primarily due to reduced sales and was offset by a decrease in stock based compensation.
